

The Local Organizing Committee for the Gunnison Start of the 2014 USA Pro Challenge held a public voting at the Gunnison Arts Center for the official Stage 3 poster on May 2, 2014. Gregg Morin's submission of the Pro Challenge 2012 photo won the contest. Gregg's winning photo shows a group of cyclist, "the pelaton" streaking across the canvas, with his themed watercolor manipulation from his camera lens. The artwork was sent into the Pro Challenge marketing department for them to add branding elements that will be consistent in every stage poster.

Also that evening at the Center, talented singers came to audition to represent Gunnison at Stage 3, by singing the National Anthem. What a treat it was to be entertained and "wowed" by the talent we have here in the valley. Colin Uerling was selected by our judges, Kent Viles, Alicia Belgiovane, and Ken Todd, as our winner with Ben Wiens as the runner-up and Tony Thurling received a honorable mention. All of the singers song from their heart, it was a wonderful audition evening.

Thank you to all the participants that threw their hats into the ring, the judges and all that cast their votes and the Gunnison Arts Center. Watch for Stage 3 poster to be up around town in the near future and come listen to Colin sing our anthem at the Stage 3 Gunnison Start, August 20, 2014 at Main Street and Tomichi Avenue at approximately 11:30 a.m.
